WORK EXPERIENCE

Designit

Digital Designer
May 2017 - Present

Have a multi-disciplinary role across design disciplines. I help conduct research, ideate and create digital design solutions and drive projects through fruition.

Moonraft Innovation Labs

Designer
May 2016 - Apr 2017

Worked on conceptualization, ideation and visual design for digital products across mediums and platforms

Concrete Labs

Design Intern
Aug 2015 - Jan 2016

Primarily worked on designing the brand and the online experience for natty.in – a curated marketplace for one-of-a-kind products from the best creative entrepreneurs in India.

Ishan Khosla Design

Graphic Design Intern
Jun 2014 - Jul 2014

A one month summer internship, worked on various graphic design projects like designing brand identities, visual language systems and publications.

AWARDS

Kyoorius Creative Awards

2018

Wipro Autoinsights, a project of which I was an integral part of, was awarded the “Baby Elephant” and was the in-book winner at the Kyoorius Creative Awards 2018 under the category of Connected Products.
